

Instructional Shifts in Education

How do you transform a classroom from traditional to 21st Century?

Traditional Learning Environment	21 st Century Learning Environment
Teacher-Centered Instruction	Student-Centered Learning
Single-Sense Stimulation	Multi-Sensory Stimulation
Single-Path Progression	Multi-Path Progression
Single Media	Multimedia
Isolated Work	Collaborative Work
Information Delivery	Information Exchange
Passive Learning	Active/Inquiry-Based Learning
Factual, Knowledge-Based	Critical Thinking and Informed Decision Making
Reactive Response	Proactive/Planned Action
Isolated, Artificial Context	Authentic, Real World Context
